Worksheet 1.2: 3-Year Goal Mapping

Instructions: Use the table below to plan your goals over the next three years. Be specific about what you want to achieve, why it's important, and how you will track your progress. Each goal should be achievable within a 1-year period.

Timeframe (Year 1, 2, or 3)	My Goal	Why This Goal is Important	How I Will Track My Progress

Additional Notes:

“Champions aren’t born - they’re built. With hard work, focus, and a solid plan, anything is possible. Every lap, every rep, every note you take puts you one step closer to your goals. Your journey starts here - stay **hungry**, stay **humble**, and never stop chasing the dream.”
